INTERNSHIPS

Web Development

Aarken Technologies, Virtual

Dec 2019 - Jan 2020

I had to create an e-commerce site from scratch and also set up the payments API.

Digital Marketing

Haviik Adtech (Indore), Virtual

Dec 2019 - Jan 2020

I was given the task of making flyers and maintain their social media accounts and come up with innovative ideas to expand their businesses in their cities.

Web Development

Haviik Adtech, Virtual

Nov 2019 - Jan 2020

I was given the job of developing a website from scratch and deploy it over the web. It was a digital marketing company in Ujjain and was a great experience for me to showcase my skills. I also worked there as a graphic designer.

Machine Learning

Python Academy, Nagpur

Apr 2019 - Jul 2019

Basically, we were given tasks everyday related to machine learning and data analysis some of our tasks included making twitter bots, 2-D games, Problems related to Face recognition and many more. It was fun to create new stuff each day.

POSITIONS OF RESPONSIBILITY
